Dear [insert name],

Abstract submission for EAPM 2025 Munich Conference is now open until February 23rd, 2025!

I would like to invite you to participate in the EAPM Conference 2025 in Munich on the topic 'Transforming the biopsychosocial model: conceptual and clinical aspects, which will take place in Munich from 10 to 13 September 2025.

Please have a look at our website here: <https://www.eapm.eu.com/2025-eapm-conference-munich/>

What is the conference about?

Main goal of the European Association of Psychosomatic Medicine is to strengthen the collaboration between researchers, practitioners and teachers in the field.

Our mission is to share, exchange and develop the insights of psychosomatic research and perspectives across national borders for the benefit of all patients.

The title of this conference is "Transforming the biopsychosocial model: conceptual and clinical aspects': Learn about current psychosomatic research. Psychosomatic disorders play an important role in the increasingly complex developments of our globalised society and present us psychosomatic therapists, CL psychiatrists and psychotherapists in different countries with special challenges.

Meet colleagues from all over the world in the attractive city of Munich in Germany.

At this 3-day conference, you will receive exclusive insights into the latest European psychosomatic research.
